

Summer Meals For your Children

Did you know that many communities provided meals free to children in low-income areas during the summer when school is closed?

The Summer Food Service Program provides nutritious meals to all children 18 years and younger at participating feeding sites. These meals provide essential nutrients for active, growing kids. To participate in this program all kids have to do is show up at an open feeding site. These sites are run by parks, schools, community centers and other locations.

To find out if there is a Summer Food Service Program site near you, please call the 24-hour, bilingual Helpline at: 602-263-8856

Outside Maricopa County call:
